Re: Recommendation for Chad Nestell

I am writing to highly recommend Chad as an outstanding and dedicated student who has recently completed Principles of Management under my guidance. Having had the pleasure of teaching him during the Fall 2023 semester, I can confidently attest to his excellent academic performance, and strong work ethic.

Throughout the duration of the course, Chad consistently demonstrated a genuine passion for management. He actively engaged in class discussions, displaying a deep understanding of the material and an eagerness to explore challenging concepts.

One of Chad's notable strengths is his ability to think critically and write professionally. He consistently produced high-quality assignments and projects that reflected not only a solid grasp of the subject matter but also a creative and innovative approach to problem-solving.

Beyond his academic achievements, Chad impressed me with his excellent organizational skills and strong sense of responsibility. He consistently met deadlines and approached tasks with a proactive and detail-oriented mindset. He completed the course exceeding the total points by submitting optional extra credit assignments. Chad is a reliable and dedicated individual who can be trusted to excel in any academic or professional setting.

I have no doubt that Chad will continue to excel in his academic and work pursuits and make significant contributions to any institution or organization.

Sincerely,

Dawn Fairchild
